

Welcome, Pilgrim

The 'Ospitale' that welcomes you today is not accomodation for tourists, but a place offering hospitality only to pilgrims.

It is entirely run by volunteers, who dedicate their time to this service, in the spirit of sobriety, generosity and simplicity.

We kindly request that you take great care of the facilities - the bathrooms, the kitchen and the bedrooms - so that people who come after you will also find a clean and welcoming environment.

Each pilgrim's stay costs us an average of _____€ per person (for cleaning materials, laundry, upkeep of facilities, and electricity and gas). For this reason we ask you to leave the donation you can afford, so that we can continue to welcome other guests who want the same pilgrimage experience.

If you can't make a cash contribution, please approach the manager and offer to complete a few housekeeping chores, such as cleaning, before continuing on your walk.

May God accompany your steps, your research, and your life.
